Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Excerpt from Constitution and by-Laws of the Student Government Association of Sweet Briar College With the opening of a college career, the great problems of control, and self-control in particular, seem uppermost. Aiding in the solution of this problem, with the co-operation of the faculty and the earnest work of former students, Our Democracy, the Student Government Association of Sweet Briar College, has arisen. This Association through the twelve years of its existence has stood for the maintenance of our College life. The success of former years and of the years to come is intimately connected with the life and aim of each student who forms a unit of the democracy. Each citizen of the collegiate body should realize the importance of her hearty co-operation with the actions of her government by earnest interest and truthful expression of her own opinion. The fresh inspiration of the members of the Association, gathered together, are only greater steps toward the perfection of a system which shall stand for everything. Each individual is needed. Her value to the rest of the college is inestimable, if her idea and aim is always that of what is best for Sweet Briar College. The observation of the rules and laws of the Association may at first seem irksome, but they become easy if we remember to uphold the high standard. To help in the upholding of our rule, we have drawn up a constitution. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
