Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Sometimes love finds you. When city and country come together for a Christmastime wedding in Montana, the unexpected gift is true love. Stubbornly small-town Jenny Lindstrom has misgivings when she promises to stand proxy in her best friend's wedding-misgivings that are fulfilled when tall, handsome Sam Kelley walks into the courthouse an hour late. In order to keep her promise, an afternoon favor turns into a weekend of startling but undeniable attraction, threatening the well-ordered world that keeps her heart at arm's length from any more pain. Sam's plan is to fly to Livingston, Montana, take vows for his favorite cousin, and return to Chicago as quickly as possible. But his plan is turned upside-down when he must spend a weekend with Jenny in Gardiner to keep his word. He doesn't want to fall for the prim, proper schoolteacher whose small-town life seems to him like selling out, but the more time he spends with her, the harder it is to say good-bye. When city and country come together for Christmas, the unexpected gift is true love.
