This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2006 in the subject English Language and Literature Studies - Linguistics, grade: 2,0, Birzeit University, course: PS Lexicology, 25 entries in the bibliography, language: English, comment: The work cited deals with the expression of 'THURSDAY' in Germanic languages and dialects. It's a scholar paper because I tried hard to stick to a similar work of my professor. This version is the final and most corrected one. , abstract: The names of the days have been well known to all of us since we were born. We use them without thinking about their meanings and origins and do not think about their changes in the past. Most often people do not know that until 1976 Sunday was the first day of the week in Christian and Jewish countries. With the DIN-Standardization 1355 Monday became the first day of the week, bound to the UNO decision ISO 8601 in 1973. Though of the world wide decision of the UNO England, Northern America and other countries still count the Sunday as the first day of...
