Reviews

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

PENCIL SKIRT

Betascript Publishers Feb 2010, 2010. Taschenbuch. Book Condition: Neu. 220x150x4 mm. Neuware - High Quality Content by WIKIPEDIA articles! A pencil skirt is a skirt with a straight and narrow cut, worn by women. It typically falls to or just below the knee, and is tailored for a close fit. Its name comes from its shape: long and slim. The pencil skirt is regarded as a classic fashion piece, and a western woman's wardrobe staple, either on its own or as part of a suit. Its narrow shape can restrict movement, so pencil skirts often feature a slit, usually at the back, but sometimes instead a back pleat which is considered more modest. The classic shoes for wearing with a pencil skirt are a pair of high heels, with sheer stockings or tights. Back-seamed hosiery matches well, recalling the classic pencil-skirt era of the 1950s. 72 pp. Englisch.
