

Psychology for Nurses and the Caring Professions (4th Revised edition)

By Jan Walker, Sheila Payne, Nikki Jarrett, Tim Ley

Open University Press. Paperback. Book Condition: new. BRAND NEW, Psychology for Nurses and the Caring Professions (4th Revised edition), Jan Walker, Sheila Payne, Nikki Jarrett, Tim Ley, "This beautifully written book .clearly explains the application of psychological concepts and theories to health and succinctly summarises key issues. Each chapter also provides a series of vignettes capturing the kind of real-life situations health and social care professionals will encounter in their own practice and a set of thought-provoking exercises .These will be invaluable in developing critical thinking skills and growing the capacity to provide the kind of empathic care which is the heart of person-centred practice" Dr Wendy Cousins, Course Director, University of Ulster School of Nursing, UK "I have recommended earlier editions of this book and now am delighted to say that this latest edition is even better. The authors continue to clearly explain the relevance of psychological theories, models and approaches to nursing care but now, through the use of frequent reflective activities, vignettes and a 'psychosoap' family, students are also highly encouraged to identify how the theory will help them to become the high quality holistic practitioners they desire to be."
