Abysmal Antics Publishing, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Laurence was a happy, well-adjusted gay man living in Florida until a run-in with a Caribbean witch stripped him of his preferred sexual orientation. Trying to play on the new team proves problematic for Laurence as leery ladies never give him a chance at bat. That s the premise of the title story in David M Hancock s bold, provocative fiction debut *The Man Who Lost His Gayness*. Sexy speculative fiction where magic is manifest and disaster lurks in every trick gone bad. In nine stories spanning from Havana, Cuba, to San Francisco to New York City, the sex is hot, the magic potent, and the characters are at dire crossroads. It s a varied menu of styles and voices, from the dark drama of a rape inside a seedy New York hotel to a rollicking gay fairy tale about a young prince trying his hardest not to be king. Or the psychological study of a closeted married man trying to figure why his daughter s friends are texting that he fagged out. *Jinetero*: A Cuban Romance is set in the crumbling splendor and austerity of Cuba in the 1990s, where a love story -- or is it just another transaction? -- unfolds between an American tourist and a Havana escort. *The Unnatural Sister* sets the environment for several of the stories where magic is erupting on the landscape, to the dismay of people trying to pretend otherwise. A fortune hunter finds the going rough when his wealthy fiancee s sister turns out to be green and scaly and very hostile. *The Man Who Lost His Gayness* - Sexy stories told with heart, insight, sharply-barbed wit...
