It includes practical exercises to apply the material from the book and also contains bonus material not found in the book. Discover the five hidden explosive scenarios that can maim and disable your spiritual life. Tara Johnson attacks these subjects with directness, honesty, insight and a disarming sense of humor. Learn to identify and gain practical advice for how to disable the emotional cripples of grief, depression, perfectionism, people-pleasing, and fear and anxiety. Too many Christians are frustrated with the chasm between the truth of God s word and the reality of their own emotional struggles. Hollow Victory builds a bridge across that divide. Taken from her own real-life experiences, Tara s book offers hope through a powerful and refreshing look at the hidden landmines that make victorious Christian living feel like a lie.
