CUTTING CORDS (PAPERBACK)

Pride Company, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Liam yearns for Master Neal's harsh touch, but Neal fears that a part-time Master can't give a full-time sub everything he needs. Liam's world crumbled after the unexpected death of his Master. Prone to panic attacks and other social anxiety, Liam doesn't believe he'll ever find another Master who would be willing to take on such a challenged sub full-time. Too distraught to go back to Club Consequence, where he met the man he thought he'd be with forever, he decides to give Kiss of Leather a try. After doing a piercing gig at Kiss of Leather, Master Neal signs up to become a member. On the night he performs a demo as the final step to being accepted, he meets a sub who brings out his protective urge and makes his heart come alive. They try out a scene to see if they'll click, and their connection is everything they'd both hoped it could be. However, the road to love and a Total Power Exchange isn't an easy one. Neal still hasn't discovered all there is to know about Liam's traumatic upbringing, and he's not sure if he'd ultimately be the right Master for Liam. Both men are forced to face the truth about love, life and what it means to share it with another person. But before Liam can start over with Neal, he'll have to cut the cords to his past and trust that Neal will be there to catch him when...
