John Blake Publishing Ltd, United Kingdom, 2013. Paperback. Condition: New. Reprint. Language: English . Brand New Book. At a fighting weight of little more than 11 stone, Paddy Monaghan was not immediately as intimidating as bare-knuckle boxers like Lenny McLean or Roy Shaw. But if anyone dared to underestimate this man - as many foolish opponents did - the full force of the hardest man in Ireland, a fine and ferocious fighting machine, would be unleashed. His unbroken record of 114 bare-knuckle fight wins is not only testimony to his exceptional strategic skill and fearsome punching ability, but also to his sheer determination and passion. Paddy Monaghan simply has something inside him that will not allow defeat. Life has been far from easy - although the Monaghans were originally a wealthy family, by the time Paddy was born it had all been wasted away through fraud and gambling. A wiry youngster, Paddy left school with a reputation for fighting, but with no qualifications. Many years later, Paddy single-handedly taught himself how to read and write, beginning with books designed for children. Paddy, a staunch Muhammad Ali fan, displayed he same tenacity when he launched a one-man campaign to protest the stripping of Ali s boxing licence in 1967.Paddy actions came to the attention of the great man himself. and the next time Ali came to the UK, he went to meet Paddy at his council house in Abingdon. Two men who were socially worlds apart came together in a friendship based on mutual respect and admiration.
