

## Coastal Wildflowers

By Visalli, Dana; Ditchburn, Derrick; Lockwood, Walter

Hancock House Publishers, Blaine, WA, U.S.A., 2005. Paperback. Condition: New. This series of three field guides to the wildflowers of the Pacific Northwest, Dryland Wildflowers will help you identify the most common flowers of the drier areas east of the Pacific Crest in Washington, Oregon and British Columbia, Mountain Wildflowers will help you identify the most common flowers of the mountain and alpine regions in Washington, Oregon and British Columbia and Coastal Wildflowers will help you identify the most common flowers of the coastal regions of Washington, Oregon and British Columbia. Identification is made easy by arranging the flowers by the colour of the petals, so that even the novice can simply open the book to the appropriate section and watch for the species in question. Each is illustrated with one or more colour photographs and is accompanied by identification tips. As a complete set, Dryland Wildflowers, Coastal Wildflowers and Mountain Wildflowers will enable you to identify over 500 of the wildflowers throughout the varied landscapes of the Northwest, and will thus continually draw your eye to beauty, adding to the enjoyment of any journey through the region. 96pp.
