Campfire Audio , Campfire Media, 2011. Audio CD. Condition: Neu. Neu Neuware, auf Lager, , Sofortversand - The audiobook takes us on a journey through the universe of this mans ideas: a man who built up a company that bases its actions on maxims that were way ahead of their time - and that are highly topical in todays business world as a viable model for the future of entrepreneurialism. He created a blueprint for social, cultural, and political sustainability in corporate culture - and he demonstrated the wealth of possibilities that open up once the practicalities of day-to-day business are not dictated solely by considerations of profit, and once companies are led by people who are guided by both intelligence and empathy in equal measure.
