In an age that is surrounded by social media we find ourselves dissolved from art and less impressed. This art however is about romanticizing the human being as a lover and friend. This is the art you can post to your feed and know it means something that only you two know. This is that book, that you on when you see a quote you know they ll recognize. Ive read this book about 100 times and even though i m not in love it makes me want to be and not even in a bad way. Read this book and you ll see what I mean there will be at least 1 poem that you will understand completely. It ll be that poem you ll post on Facebook, or Twitter, or instagram, or Tumblr, or maybe the one you copy into your phone s notes for when you need the feeling.
