

The House Repairs Expert (Paperback)

By Drina Vanner

W Foulsham Co Ltd, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. You don t need to call a plumber.or an electrician for that matter. Even if you can afford their high charges - you just don t have to do it! Got a dripping tap? Replace the washer. It ll take you 10 minutes! Blown the electricity? Replace the fuse. It ll take you 2 minute! The everyday things we use at home are simple and straightforward. It s not rocket science - any of it. All you have to learn is where and how to turn off your incoming water and where the fuse box lives. We tell you how to find them and what to do! Just take this book home and use it to locate what little you need to turn off incoming utilities. Then when a crisis strikes you can fix it yourself. It s that easy. Now you can sort out a washing machine or tumble drier; mend a kettle or toaster; get the vacuum sucking again; and, unblock a drain or limit the damage of a burst pipe. Cold radiators, lavatory cisterns, everything. Your life-raft through the troubles of...

Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).
