Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.High school nobody Kenan is doing just fine in the midst of the zombie apocalypse, thank you very much, but when his dream girl Katy comes stumbling around the corner, she turns his world upside-down. David Wood s first foray into young adult fiction is an action-packed horror tale laced with dark humor and even darker thrills. The Zombie Driven Life is a fast-paced, zombie story that manages to be thoughtful, humorous, and surprising while giving zombie fans everything they love about the genre-gore, desperate situations and a big body count. The perfect book to devour in a single day. Jeremy Bishop, author of Torment. Wood paints a horrific scenario of a world in ruin and a few survivors struggling to find safe havens and a reason to carry on. Powerful and disturbing by turns, with plenty of black humor along the way. The Zombie-Driven Life is a great read. Alan Baxter, author of RealmShift.
