Excerpt: Improvisational theatre takes many forms. It is best known as improv or impro, which is often comedic, and sometimes poignant or dramatic. In this popular, often topical art form improvisational actors/improvisers use improvisational acting techniques to perform spontaneously. Improvisers typically use audience suggestions to contribute to the content and direction of the performance as they create dialogue, setting, and plot extemporaneously. Other forms of improvisational theatre training and performance techniques are experimental and Avant-garde in nature and not necessarily intended to be comedic. These include Playback Theatre and Theatre of the Oppressed, the Poor Theatre, the Open Theatre, to name only a few. Many actors, who work with scripts in stage, film or television, use improvisation in their rehearsal process. 'Improv' techniques are often taught in standard acting classes. Some of the basic skills improvisation teaches actors are to listen and be aware of the other players, to have clarity in communication, and confidence to find choices instinctively and spontaneously. Knowing how to improvise off the script helps actors find life-like choices in rehearsal and to then keep the quality of discovery in the present moment in their performance, as well. Three improvisers performing long form improv comedy at the Gorilla Tango Theatre in Chicago. An improvisational comedy troupe performing a shortform game based on direction from the audience; in this case spoofing a hard rock band performing a song made...
