Taylor Francis Ltd, United Kingdom, 2010. Paperback. Book Condition: New. Bilingual, Workbook. 277 x 208 mm. Language: English,Chinese . Brand New Book. The Routledge Course in Modern Mandarin Chinese is a two-year undergraduate course for students with no prior background in Chinese study which takes students from complete beginner to post-intermediate level. Designed to build a strong foundation in both the spoken and written language it develops all the basic skills such as pronunciation, character writing, word use and structures, while placing strong emphasis on the development of communicative skills. Each level of the course consists of a textbook and workbook, available separately in simplified or traditional character editions. Both workbooks include a free CD with all the dialogues from the textbooks and the necessary audio for the listening for information exercises. A companion website will provide expanded listening files and a broad range of resources for students and teachers. The benefits of this course include: -focus on the long-term retention of vocabulary, characters and structures by reiterating structures and vocabulary throughout the book series -carefully selected and staged introduction of characters with staged removal of pinyin to ensure recognition and use of characters -clear and jargon-free explanations of use and structures, that are easy for students and teachers to understand -extensive workbook exercises for homework, independent study, and classroom use focusing on all language skills and modalities including a vast inventory of carefully structured exercises focusing on listening comprehension, reading for information, and writing for communication - an extensive inventory of classroom activities that guide students to develop communication-based speaking and listening skills. -a list of communication goals and key structures for each lesson allowing the student to assess progress -cultural notes explaining the context of the dialogues - language FAQs explaining aspects of Chinese language as they relate...
