

Present Concerns: Journalistic Essays (Paperback)

By C S Lewis

HarperOne, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Although C.S. Lewis professed never to read newspapers and recommended doses of good literature as an antidote to news, he himself was an occasional journalist. All but two of the nineteen essays in this volume, previously uncollected, first appeared in newspapers or magazines. They have in common Lewis's characteristic sanity and persuasiveness. Those written between 1940 and 1945 reflect largely on questions generated by the war: democratic values, the need for an updated civility, and the cynicism of the modern soldier. Other essays examine the threats to educational and spiritual fulfillment; while *Sex in Literature* and *On Living in the Atomic Age* address literary censorship and our very survival, issues debated even more passionately today than in Lewis's lifetime.

Reviews

Excellent electronic book and valuable one. We have read and so i am sure that i am going to likely to study again once more in the foreseeable future. I am just happy to inform you that here is the very best book i have read during my personal lifestyle and might be the greatest book for possibly.

This published book is wonderful. It is really simplified but unexpected situations within the fifty percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
