(PAPERBACK) book.

Gefen Publishing House, Israel, 2017. Paperback. Condition: New. Language: English . Brand New Book. Challenging riddles, enigmas, logic problems and mind-benders, all with a Jewish twist. Jews have always been a puzzling people. In both senses of the word. We have certainly caused consternation and bewilderment over the ages (just contemplate the mysteries of gefilte fish, for example). And we have, by and large, always enjoyed a good intellectual mind-bender. From dreidels to Dungeons Dragons, Jews have enjoyed a tradition of dreying their kops. And you ll find plenty that will cause you to do just that in this book. In these pages you ll find some classic puzzles, lovingly collected over the years. You ll also encounter brand new ones, created especially for this book. Each contains a bit of a Jewish twist to add to the flavor. But, like they used to say about the rye bread. You don t have to be Jewish to enjoy this book! So strain your brain and try your hand at these kosher conundrums, and if you do well, then congratulate yourself and say: Puzzle Tov!.
