Brand New Book ***** Print on Demand *****.The FIRST full-length visual history of this iconic building, replete with vintage and contemporary images and transcribed newspaper articles. Completed in 1884, the Dakota Apartment building has been the home of numerous luminaries of business, literature, stage, and screen. Some of the first residents to live there included members of the Steinway family, as well as successful publishers, merchants, and even a Bishop. Hundreds of rarely-seen and vintage articles and photos from the late 1800s and into the 20th century help tell the astonishing history of the Dakota while showcasing many of its architectural wonders. For over 100 years the Dakota's appearance has inspired a sense of mystery and history within people. Now they can experience the early days of the Dakota and the Upper West Side first-hand by viewing the actual vintage articles, photos, sketches, and design plans from that time. This book shares information and trivia which is of great interest to anyone interested in architecture, the history of New York, and great true stories. Among the educational trivia in the book is that the Dakota was considered to...
