## BIRDING LITE: A HUMOROUS HOW-TO GUIDE FOR ALL WHO ENJOY WATCHING BIRDS

Stan Dryden, 2009. Paperback. Condition: New. Birds! You gotta love them. They need to be constantly wary of predators, perpetually seeking food, and nearly always looking their best to attract a mate. Yet there is something about them that intrigues and relaxes us. When we see them pop in to our feeders, splash the water out of our birdbaths, or soar effortlessly overhead, smiles naturally come to our faces. Fly-by Prozac. Birding (or bird watching, if you prefer) is a fun, uplifting, therapeutic, and totally enjoyable form of recreation, as long as you approach it that way. This book encourages you to approach it that way. The goal of this book is to entertain you while adding to your birding abilities. There is a lot here for novice birders, but even seasoned birders can pick up a few tips. If you are not now a birder, it would please me to win you over. And I hope you get a few laughs along the way.
