The Evolution of the American Democracy: Government for the People, by the People Is in Danger (Paperback)

By Richard Castagner

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. As things now stand, we may be living in the last days of our Founders Constitutional Republic, of that there can be little doubt. At this point, the only question is what, if anything, can be done to salvage a little of the greatness that was once America. In this book, I trace the history of world democracy, explore the formation of America s democracy, discuss the issues we are facing today and present solutions. Economic inequality will become the major issue of our time and a major cause of our Great Republic s death. This inequality will fall most heavily on those young people of the early twenty first century as they are crushed by unemployment, high taxes to pay the government debt (incurred by their parents, not them) and the increasing costs associated with a liberal socialist Entitlement Doctrine. No modern society can function for very long without a healthy middle class or at least the promise that one is quickly developing. When a majority of people decide that tomorrow will not be as good as today, the system...
