Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Cooking, Vol. 2 To all those who, through heart interest or life labor, are engaged in the effort toward orderly instruction in hand labor, based upon sound psychology and rooted in a social necessity - this book is respectfully dedicated. In the whole history of human development and adjustment, no condition has ever before existed in which so many men and women have attempted authorship. Likewise, the need of authorship, compilation, definite and practical guidance in the highly specialized processes which everywhere touch and articulate with human life was never so great. A militant and world-wide impulse is moving toward a democracy, and a necessity for human efficiency which brooks no hindrance and is impatient of delay. Considerate thought and definite aim are the hand-maids of all action among individuals, as well as states. Every life must have its preamble, as well as its constitution and by-laws to be observed in carrying out its use and purpose. Human society, in all its social, moral and economic relations, is being considered more and more as an...
