

Between Mountains

By Maggie Helwig

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, Between Mountains, Maggie Helwig, Maggie Helwig's stunning British debut is an extraordinary war novel, a poignant and gripping story about the ripples that carry on long after the fighting is over, and about two people kept apart by history, ethics and human frailty. Daniel is a war correspondent in Bosnia, a loner and a truth teller, up to a point, careless with everything except his sources. Lili is an interpreter, based in Paris, careful and meticulous. But when she finds herself working for the war crimes tribunal in The Hague, fails to declare her fragile relationship with Daniel. Between Mountains is a compelling novel of immediacy and power, about love and language, truth and lies, war crimes and the weight of history - with a vividly evoked and frighteningly real supporting cast of war criminals, lawyers, refugees and journalists.

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).
