Penguin Books Ltd, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. In Evil Hour is the thrilling story of a Colombian society menaced by rumour and paranoia by the Nobel Laureate Gabriel Garcia Marquez, author of the One Hundred Years of Solitude and Love in the Time of Cholera. As a small South American town sweats under an oppressive heat, an unknown person creeps through the night sticking malicious posters to walls and doors. When the contents of one poster lead to a murder, everyone knows that the town is threatened by a malevolent presence - but is there anything that the mayor, the doctor or the priest can do about it? In Evil Hour was the book which was to inspire my own career as a novelist. I owe my writing voice to that one book! Jim Crace Belongs to the very best of Marquez s work.should on no account be missed Financial Times A splendid achievement The Times.
