Createspace, United States, 2012. Paperback. Book Condition: New. Ellen Wenyue Wang (illustrator). 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.A fun and visually rich illustrated children s book about three little kids going through a haunted house - haunted, it seems, despite the fact that people keep saying There are no ghosts, there are no ghosts. Written and illustrated by two high school students, the book s narration started out as a poem which placed second in a school-wide high school poetry contest, despite it s fantastical nature. The illustrations won a silver key in the Scholastic Art competition. It s a fun, scary adventure that kids and people of all ages will love, and would make an especially good Halloween-time gift.
