This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

WORKING ON GOD

Random House USA Inc, United States, 2000. Paperback. Book Condition: New. 2000 ed.. 205 x 134 mm. Language: English . Brand New Book. Millions of Americans are finding it more and more difficult to apply the traditional demands of organized religion to their lives, and yet a complete absence of spirituality leaves them uneasy. Working on God is a book for and about such intelligent, independent people, who are seeking to reconcile their spiritual yearnings with their skeptical intellects. Winifred Gallagher, a behavioral-science reporter, began her investigation of religion in our postmodern age with research and interviews and soon discovered a vast, quiet revolution under way among ordinary men and women grappling with the sacred. Both Gallagher s brilliant journalistic inquiry and her very personal journey unfold over time spent in a Zen monastery and a cloistered convent, in small-group discussions and healing rituals, in a Conservative synagogue that shares spaces with a Christian church, and in the birthplace of the New Age. Written with humor, empathy, and a rigorous curiosity, Working on God breaks new ground in depicting the broad-based spiritual movement that is transforming many lives.
