

Black Hole Heartbeat (Paperback)

By Andrew Henley

Blurb, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Black Hole Heartbeat is Star Wars if the stormtroopers didn't miss all the time. Like Cowboy Bebop meets Butch and Sundance, or Guardians of the Galaxy in the style of Pulp Fiction. Self-confessed thief of ill repute, Elizabeth Ranger, runs head first into tragedy when she tries to recover a lost treasure in The Barely Charted. She wakes up three years later, flesh burned off and grafted back on, surrounded by strangers and suddenly part of a much larger mission. Together with Anastasia Yukishnov, the doctor who healed her, Elizabeth and her ensemble cast of lovable and loathable rogues uncover things much more sinister, much more compelling, than the mere trinkets she has spent her life hunting. Love, loss, loneliness and ray guns all feature against the beautiful, bloodstained backdrop of space.
