

Desert Ecology: An Introduction to Life in the Arid Southwest

By John Sowell

University of Utah Press,U.S. Paperback / softback. Book Condition: new. BRAND NEW, Desert Ecology: An Introduction to Life in the Arid Southwest, John Sowell, Natural History""An energetic start quickly became a trudge; we glanced back frequently towards our point of departure, an air-conditioned vehicle. Not only did the hot air feel like a blast from a smelter s furnace, but within minutes the reflected sunlight was doing perceptible damage to any exposed skin. I m sure I was sweating more than I ever had before, yet my skin was dry.We found ourselves blinking rapidly to keep the eyes moist. After a few more minutes, we turned back for the car, leading our youngest child who would no longer open her eyes.""- John Sowell Unlike books that merely identify what plants and animals live in the desert, "Desert Ecology" is a comprehensive but accessible introduction to how these organisms live where they do. Beginning with an overview of the Intermountain, Mojave, Sonoran, and Chihuahuan Deserts, Sowell presents the topographic and the meteorologic conditions that created these regions. He continues with a thorough examination of physiologic and behavioral adaptations that enable plants and animals, even humans, to survive and persist in these...
