Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Dance Me Edit My Life is the third novel in series. The development of an innate emotional justice is the core of this novel, which brings a reader attention to the most important values that underpin the social order and make people rewarded. Serious and philosophical enough to keep thinking alive, but funny to keep the reader on a ground, the interactive duels are interwoven in the novel to resolve set of values within dynamic relationships and situation by situation. At the top of the list is awakening of implicit and explicit assumptions about the set of values, as followed: Love and betrayal, interest and conflict, attention and ignorance, friendship and jealous, behavior and environment, truth and false, right and wrong, work and laziness, and help and offense. Serious and philosophical enough to keep thinking alive, but funny to keep the reader on a ground, the interactive duels are interwoven in the novel to resolve situation by situation.
