Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

The book is made up of 232 pages, with over 200 poems that are divided into six chapters and arranged according to the subject of the poems which dwell on topics such as love, immortality, Soul travel, reincarnation, enlightenment etc. Built into every poem are the words and teachings of Shams I Tabriz which the reader, irrespective of faith, beliefs and inclination will find thought provoking, enlightening and uplifting.
