

Atlanta Scenes: Photojournalism in the Atlanta History Center Collection (GA) (Images of America)

By Michael Rose

Arcadia Publishing. Paperback. Condition: New. 128 pages. Atlanta, the thriving capital of the New South, has a rich and fascinating history. In *Atlanta Scenes*, authors Kimberly S. Blass and Michael Rose draw from the works of some of the city's earliest and finest photojournalists--Francis Price, Marion Johnson, Bill Wilson, and Kenneth Rogers--to bring that history to life. *Atlanta Scenes* documents some of the city's noteworthy events, personalities, and landmarks, many of which will be readily identifiable. The images range from the everyday (baseball games at Ponce de Leon Ballpark, boys on bicycles, and Humane Society dog rescues) to the eventful (the *Gone with the Wind* premiere, the deadly Winecoff Hotel fire, and the infamous Leo Frank trial). Many scenes reflect the iconography of the Old South, while others provide insight into the harsh realities of twentieth-century life. In this volume, well-crafted, artistic images blend with on-the-spot action shots. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Dr. Hermann Marvin PhD**

This ebook could be well worth a study, and superior to other. It really is basic but unexpected situations inside the 50 % of your ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Prof. Buford Ziemann**
