By Donna C. Rona

Lulu.com, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The knee joint is one of the most complex structures in the body, and more likely to be injured than any other joint. It is subjected to constant pounding, bending and twisting from daily activities as well as the impact of accidents, sports injuries and the effects of deterioration and disease. More than 12 million people per year seek medical care for their knees - more than half relating to injuries. Acute Care - Homeopathy for Knee Injuries and Pain presents a brief introduction to homeopathy for acute care and outlines the key remedies used in safe and effective treatment of knee pain and accompanying symptoms. Originally conceived as a series for health care professionals, therapists, and trainers, this Acute Care book series presents homeopathic remedies that are proven to be useful for specific acute situations.
