What is the Phoenix Project? We exist because civilization will collapse. We cannot stop or prevent the collapse from happening. The collapse will happen. Then why does the Phoenix Project exist? To rebuild civilization after it happens. Our recruits are specialists in medical, engineering and the military fields with the knowledge needed to rebuild. They and the necessary supplies and equipment will go into cryogenic hibernation to sleep through the collapse. At the appropriate time, they will awaken. Then like the preverbal Phoenix rising from the ashes, we will rise to help rebuild the country from the ruins. That is the Phoenix Project s purpose. Exert from the Phoenix Project indoctrination. Recon Team 13 thought life would be easier now that more project personnel where found they were wrong. Their first official reconnaissance mission briefing was simple enter the shattered remains of Los Angeles to meet and greet the local population and evaluate their needs. Continue to the port of Los Angeles to explore a Phoenix Project rumor and secure a carrier of the RNA-317 virus for medical evaluation. The team finds itself thrust into the middle of a gang war and a hostage rescue situation. Intensifying into an armored car battle in the shattered streets of Los Angeles. Forcing Recon team 13 to start a beat down on the shattered city unlike anything the survivors have ever witnessed.
