AND LANGUAGE PATHOLOGY AND OCCUPATIONAL book.

Jessica Kingsley Publishers, Inc, 2012. Softcover. Book Condition: New. This practical resource is brimming with ideas and guidance for using simple ideas from speech and language pathology and occupational therapy to boost communication, sensory integration, and coordination skills in children on the autism spectrum. Suitable for use in the classroom, at home, and in community settings, it is packed with easy-to-follow, goal-oriented activities and lesson plans centering around arts and crafts, music-making, cookery, sensory activities, and skills for daily living. The activities all use materials and objects which are readily available in the home or classroom, and can easily be adapted to suit children of different abilities, including those who are non-verbal. This book is perfect for teachers, speech and language pathologists, and occupational therapists who need fresh and effective activity ideas for the classroom or therapy room, as well as for parents and other caregivers who want to help their child with autism speak, move, play.and learn. Lois Jean Brady is a speech language pathologist with 20 years' experience. She is currently working as a speech pathologist and assistive technology specialist at the Spectrum Center School, California. She is the founder of Rancho La Paz, an organization for individuals on the spectrum. America X. Gonzalez is a speech language pathologist assistant working in several institutions in the San Francisco Bay Area. Maciej Zawadzki is an occupational therapist working at the Spectrum Center. Corinda Presley is an occupational therapist at the Communication Works Center in Oakland, California. She has worked with children with autism and developmental delays since 2002. She has a special interest in integration and processing and is completing her certification for The Sensory Integration and Praxis Test (SIPT). "Creative, fun and informative! Everything a parent, teacher or professional could want in order to create easy lessons for..."
