Reviews

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.- Illustrated. Mr. Hallam s little book on Horace, including illustrations and maps and plans of the Sabine Farm. Chapters on modern Tivoli, we should read Augustus for Domitian and Horace himself for Martial, and on the Fons Bandusiae, of which a full description is given; one on Horace s services to Rome and to the world; and various poems, Latin and English, including a Latin dedication to The Latinists and Grecians of the Girls Public Day School Trust. This book guides us as delightfully as ever through Horace s country homes and haunts. A note of personal intimacy has been introduced, and we are vouchsafed a charming peep into the present day garden of S. Antonio with its tutelary spirits, both vertebrate and lepidopterous. Boys and girls of today who read these verses, Ave atque Vale and Ad Nympham Tiburtinam, the former written in Horace s own garden, will feel the presence of the poet of 2.000 years ago very much closer to them, and for this both they and all who believe in a classical education owe Mr. Hallam much gratitude.
