CHANCE AND CIRCUMSTANCE: A CHANCE COLT LITERARY MYSTERY (PAPERBACK)

Brighton Publishing LLC, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Chance and Circumstance is a fictional police procedural novel about the modern-day American West. The setting takes place in Santa Cruz County, Arizona, the smallest of fifteen counties in the great state of Arizona. Santa Cruz County sits smack dab in the middle of the barren Sonoran desert, surrounded by miles and miles of desolate desert sand, mountains, rock and sky and shares its southern border with the ever-dangerous and always unstable country of Mexico. It is a sparsely populated area known as The Borderlands Region filled with twice as many ghost towns as it has real, inhabitable towns. The novel tells the story of the day-to-day lives and activities of a modern-day lawman named Sheriff Chance Colt and his crime-fighting partners, both two-legged and four-legged, who, along with a seemingly never-ending cast of wacky and weird American West characters, both good guys and bad guys, inhabit this modern-day No Man s Land. However, Sheriff Chance Colt is an old-fashioned nineteenth century lawman at heart, who with his cop colleagues continually strives to fight for truth, justice and the American way. He and his comrades-in-arms attempt to calmly and consistently uphold The Code of the Old West in this 21st century American West environment that is still as wild as it ever was and is on a constant collision course, always precariously close to spinning helplessly and haplessly out of control. Sheriff Chance Colt has a saying that keeps him going despite the dangers he finds in the desolate Arizona wilderness: A man only needs four things in life...
