Oxford University Press Inc, United States, 1999. Paperback. Book Condition: New. 241 x 163 mm. Language: English . Brand New Book ***** Print on Demand *****.In spite of society s wish to protect and insulate children from death, the experience of loss is unavoidable and there is surprisingly little guidance on how to help children cope with grief and bereavement. *Never Too Young to Know: Death in Children s Lives* is the first book to bring together diverse fields of study, offering a practical as well as multifaceted theoretical approach to how children cope with death. Using stories of children s own experiences supported by data from a large research study, Silverman explains the wide range of effects of loss upon children and the challenges they face as they grieve. Silverman presents grief as a normal part of the life cycle which results not only in pain and sadness but also in change and growth. She further explains that children can and do cope effectively with loss and the changes it brings as long as they are taught to understand that death is a part of life and that they will be included appropriately in the family drama. *Never Too Young To Know: Death in Children s Lives* is divided into three parts. The first section includes an overview and theoretical framework that examines the social, historical, developmental, and familial forces that frame and focus childrens lives as they experience loss. The second section offers a detailed analysis of how children experience mourning different types of death including the death of siblings, parents, and friends, and death due to illness, suicide, accidents, and violence. The final section includes an accessible guide to helping children cope with grief, emphasizing the importance and the necessity of social support as children learn to...
