Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The cover quote is from a song in the Tony Award-winning Broadway musical, Kinky Boots, entitled, Not My Father s Son in which Lola sings about not being the image of the son who was expected, and how important it is for parents to accept their children for who they are. We re reminded of the importance of opening our minds to people we may not understand, or even agree with, and embracing diversity. When you change your mind about someone, you can change your whole world, and become accepting and inclusive of other races, cultures, and beliefs, other religions, the LGBT community, drag queens, the gay and lesbian community, people who are transgender people, those who are transsexual, and anyone else who are different from you. Makes a simple sentimental gift for fans of the Broadway musical, Kinky Boots. It is also a moving message to share with parents, foster parents, relatives, friends, counselors, educators, administrators, social workers, coaches, co-workers, therapists, mentors, or other people in the position to support and influence others. *** This journal alternates between 8 LINED pages for writing and 2 BLANK pages for sketching/drawing throughout - Size 5.2 x 0.2 x 8 with 110 pages total. *** Not only does it make a great coffee table book, but its pages can be used as a diary of milestones, a record of special memories, a place for random sketches and diagrams, a very long bucket list, a notebook for tips and tricks, and much more. Make the gift even more special by stuffing a gift certificate or a little cash into the folds. On the BACK COVER: Broadway Musical: Kinky Boots Music and lyrics by Cyndi Lauper...
