Chronicles the major events that brought about the American Revolution, including the Boston Massacre, Boston Tea Party, the Midnight Ride of Paul Revere, and the Battles of Lexington and Concord. Includes pictures of important people, places, and events. The Revolution was effected before the war commenced. The Revolution was in the minds and hearts of the people. . . . This radical change in the principles, opinions, sentiments, and affections of the people was the real American Revolution. John Adams, 1818 A lot of ink has been spilled covering the lives of history's most influential figures, but how much of the forest is lost for the trees In Charles River Editors American Legends series, readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute, while learning interesting facts long forgotten or never known. The American Revolution is replete with seminal moments that every American learns in school, from the shot heard round the world to the Declaration of Independence, but the events that led up to the fighting at Lexington and Concord were borne out of 10 years of division between the British and their American colonies over everything from colonial representation in governments to taxation, the nature of searches, and the quartering of British regulars in private houses. From 1764-1775, a chain of events that included lightning rods like the Townshend Acts led to bloodshed in the form of the Boston Massacre, while the Boston Tea Party became a symbol of nonviolent protest. In the summer of 1774, patriot groups around the 13 colonies communicated with each other and brought about the first...
