

Patriots Handbook

By Beverly A. Potter

Ronin Publishing. Paperback. Book Condition: new. BRAND NEW, Patriots Handbook, Beverly A. Potter, As disdain grows for the workings of Washington, patriots across the country have gathered in "tea parties," harkening back to the nation's roots in 1773 when "No taxation without representation" was the motto. Americans again feel overly taxed by rulers who don't listen, and the tea parties have grown into a movement comprised of deeply concerned Americans who have never previously participated in any demonstration. With this comes a renewed interest in our unique history as a nation, and Patriots Handbook offers just that. For those interested in actually reading the founding documents and learning about what the Founding Fathers had to say, Patriots Handbook offers our nation's founding documents, along with inspiring quotes and excerpts about the glorious history of our great nation.
