SECRET TEAMMATE DESIRES: A SPORT MENAGE ROMANCE (PAPERBACK)**DOWNLOAD**

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.BBW Romance Jane had enjoyed her position as a student sports medicine trainer on the college hockey team, but being around the team in such an intimate way made certain desires grow inside of her. Her sensual desires about what she wanted the team to do to her had to be kept very secret. She could lose her position over it, so she kept it to herself. That was until she was on a team flight for an away game when one of the star players, Zach started to show interest in more than just her sports skills. He shows her what the mile high club means and then has another surprise waiting for in his hotel room in the form of his teammate Eric. It s an experience that changes Jane into thinking she is more desirable than her full figure had made her feel previously.
