CHABLIS AND THE DILDO FROM HELL (PAPERBACK)

Peninsula Publishing, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Sometimes the absurd can be profound. Wayne Frye s transsexual private eye, Chablis Louise Chavez, takes on a case that will have readers thinking of Frankenstein, as she is hired to find a dildo that was brought to life by a famous inventor who wanted something special for his young nubile wife. The only problem was he created a fornicating monster that escaped to wreck havoc before disappearing without a trace. However, is this invention lurking about, laying low somewhere waiting to pounce on willing women looking for the ultimate orgasm? Only Chablis Louise Chavez seems capable of bringing this miscreant fornicator to justice, but in the process, she begins to sympathize with the poor dildo and to question whether she is on the right side or not. This is a Wayne Frye thriller like no other as it is filled with thrills, chills and mystery, but this time Frye has the reader howling with laughter as he weaves an incredibly hilarious tale that, although often absurd, reaches high levels of pathos and reminds us all that we often hang by a slender thread between the sane and insane. Though uproariously funny, this tale offers great insight into the depth of the human experience and exposes the hypocrisy of those who point the finger of condemnation. As usual with a Frye tale, the ending is mesmerizing and will haunt you for days, weeks, months, even years.
