## THE SAMURAI MIND LESSONS FROM JAPANS MASTER WARRIORS

Tuttle Publishing. Hardcover. Condition: New. 128 pages. Dimensions: 7.5in. x 5.3in. x 0.9in. The Samurai Mind is a collection of five seminal Japanese texts which together convey the very essence of the traditional samurai warrior ethos. These texts range from the ferocious to the esoteric with their common thread being the importance of mastering one's own mind as the key to overcoming opponents. Written from the mid-18th to early 19th century, the authors were acknowledged master warriors keen to address a broader audience beyond their circle of students and acolytes. Their aim was to explain their craft to the outside world, and they do so with great insight. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
