By David Kilcullen

C Hurst Co Publishers Ltd, United Kingdom, 2010. Spiral bound. Condition: New. Annotated edition. Language: English . Brand New Book. David Kilcullen is one of the world's foremost experts on guerrilla warfare. His vision of war has been enormously influential, through his service as senior counterinsurgency adviser to General David Petraeus during the Surge in Iraq, as special adviser to the United States Secretary of State, and as a current adviser to the United States, British, Australian and other allied governments. This brief book distills that vision in an easily readable and practical format, through a completely revised and updated edition of his 2006 cult classic *The Twenty-Eight Articles*, a field practitioner's guide to the fundamentals of counterinsurgency, which has become the essential handbook for generations of allied military officers and civilian officials in Iraq and Afghanistan, has become part of the course of instruction at military academies and counterinsurgency schools worldwide, and has been translated into Arabic and Spanish. This edition presents a fully updated and expanded version, including a new introduction, annotated tactical case studies, and an appendix on the key principles of the hugely successful Surge campaign of 2007 in Iraq. Issued as a...
