Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A Quick Read Into The World of E-commerce This book has lots of actionable information on how to make money online with ecommerce. The world is increasingly becoming tech driven. Think about it; you (or someone you know) have probably purchased something online. By so doing, you are probably among the over 40 of internet users (over 1 billion people) who have purchased something online via mobile, desktop, tablet or other devices. If you think about it from a business perspective, this means there is a huge potential to make money if you are a seller (1 billion potential customers!) But how can you go about it? How can you get a share of the over a share of over US\$1.2 trillion that s transacted online every single year? Well, this book will show you exactly how to go about it. Whether you want to set up a C2C (customer to customer) business, a B2C (business to customer) business, or a B2B (business to business) business, it is important to build a solid understanding of the concept of ecommerce so that you start off with a strong understanding of the ins and outs of ecommerce. This book will show you everything you need to know about ecommerce to ensure you know what works, what doesn t and how to be the best at what you do. Here Is A Preview Of What You ll Learn.
