By Jonathan Lear

Taylor Francis Ltd, United Kingdom, 2015. Paperback. Condition: New. 2nd New edition. Language: English . Brand New Book. In this fully updated second edition, Jonathan Lear clearly introduces and assesses all of Freud's thought, focusing on those areas of philosophy on which Freud is acknowledged to have had a lasting impact. The second edition includes a new Introduction and Conclusion. The text is revised throughout, including new sections on psychological structure and object relations and on Freud's critique of religion and morality. One of the most important introductions and contributions to understanding this great thinker to have been published for many...
