

Canada in the North Atlantic Triangle: Two Centuries of Social Change,

By John L. Finlay

University of Toronto Press,, Toronto, ON., 1975. Soft Cover/Good/Card/Illustrat. Book Condition: UNUSED. 1st Edition Softcover, This is a Very Good Unused Copy with the exception of a previous owner's name on the ffp this book is in good condition--no zits or other marks! From a common starting point, three countries in the North Atlantic Triangle--Great Britain, the United States and Canada have evolved along their own identifiably separate ways. The book is a fascinating exercise in analysis for the author seeks to understand how such things as industrialisation and religion and cultural and ideologies can play such different defining roles for differing societies and political cultures. A great comparative work which, sadly, has been undervalued for many years. *All our Orders are processed and shipped from our home in Lovely Kingsville, Ontario.*
