Reviews

The book is fantastic and great. I have got read through and i am confident that i will planning to read yet again once again in the foreseeable future. I found out this book from my dad and i recommended this publication to discover.

ROWMAN LITTLEFIELD, United States, 1998. Paperback. Condition: New. Language: English . Brand New Book. In this book, distinguished French philosopher Pierre Manent addresses a wide range of subjects, including the Machiavellian origins of modernity, Tocqueville s analysis of democracy, the political role of Christianity, the nature of totalitarianism, and the future of the nation-state. As a whole, the book constitutes a meditation on the nature of modern freedom and the permanent discontents which accompany it. Modern Liberty and its Discontents is both an important contribution to an understanding of modern society, and a significant contribution to political philosophy in its own right.
