In Detail

Angular 2 will help you build faster, more efficient, and more flexible cross-platform applications. Angular 2 is known for taking the pain out of JavaScript development, and enabling more organized, readable, and testable code. This book builds three apps with varying degrees of complexity. It starts with a simple Guess the Number game, which serves as a platform to launch you into the world of Angular. Next, you will learn to construct a popular 7-Minute Workout app, covering the building...
