Reviews

This is an awesome publication which i have actually read. This is certainly for all who statte that there was not a well worth reading through. Its been designed in an extremely straightforward way and it is merely after i finished reading this ebook in which actually changed me, affect the way in my opinion.

5050 A GENERATION OF WOMEN REFLECTS

Lulu.com. Paperback. Condition: New. 106 pages. Dimensions: 8.8in. x 5.5in. x 0.5in. When the girl babies of the 50s boom went home to their two-parent suburban houses, no one knew they would become the women's liberation generation. They are the women who PBS producer Rachel Dretzin said, made a journey unlike any other generation, through a time of profound change and upheaval. This book invites 10 women to share their stories of that journey. Beginning with childhoods that often fell short of the Ozzie and Harriet image of the 1950s, they recall when growing up female meant growing up second-class. By the 70s, their paths diverged to colleges, careers, marriages. Around them swirled the turbulence of civil rights, Vietnam, a growing drug culture and the emergence of the women's movement. Today, they describe themselves as independent, aware and empowered. Reading this book is like sitting down to enjoy coffee and conversation with 10 extraordinary women. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
